

Step Bench

Recommended for

- School children
- Young people
- Adults
- Older people
- Supervised play areas such as schools, after-school programmes or similar

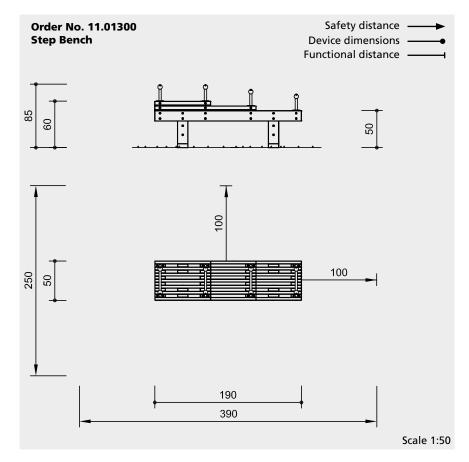

Play valueThe Step Bench has three different

heights for sitting, according to body size and desires. Moreover, alternatively standing and sitting at each predefined height is an exercise which strengthens the leg and back muscles. Ball handles are installed on the arm rests to help

- Public play areas without supervision such as playgrounds, parks or similar
