

Instructions for wear checks of play equipment

The equipment must be checked for correct operation and safety, especially the points listed below:

Proof of maintenance

Playground.....

Date of installation

Checks depend on the type of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year.

Intervals for maintenance work and checks generally depend on

- the location
- the usage
- the frequency of use
- possible vandalism

For more details see also "General instructions for maintenance of playgrounds".

Periscope
Order No. 10.27000

Mechanical parts

1. Check that the equipment can be easily rotated.

Stainless steel

2. Clean with stainless steel spray (www.kim-tec.de) using a clean cloth.

Cleaning

3. If the mirrors are soiled or if foreign materials have accumulated inside the equipment, remove cover panel, remove foreign materials, and clean mirrors using commercially available dishwashing liquid.

Structural stability

4. Check anchoring to the ground once a year.

Special notes, e.g. for repairs

Repair not carried out, it is still possible to play on equipment

Repair not carried out, equipment is taken out of action

All work carried out, everything is in order

Maintenance carried out by:

..... Date
